Membership Qualifications And Dues Formulation

Regular Member:

Any firm, partnership or corporation headquartered in North America that manufactures composite lumber (as defined below) is eligible for Regular Membership in the Association upon terms to be fixed by the Board of Directors. "Composite Lumber" shall be defined as products made from a combination of plastics and filler materials sold as a substitute for wood in building applications. First-year introductory Regular Member dues are **\$10,000**.

Associate Member:

Any firm, partnership or corporation engaged in supplying components, equipment or services for the manufacture or installation of composite lumber may be admitted to Associate Membership in the Association. Associate Members shall have the rights, privileges and obligations of membership except the right to vote. Annual Associate Member dues are **\$2,500**.
